Subject: Complex Home Care Packages

## REQUEST

Under the Freedom of Information Act, I would like to request the following information regarding complex home care packages for adults aged 18+, except for questions 1, 2, 4 and 7 where information is required for both adults aged 18+ and children aged 0-18 years old.

For clarity, adults and children receiving complex care have substantial and ongoing healthcare needs, which require additional support to manage their symptoms. These can be the result of chronic illness, disabilities or following hospital treatment. Home care refers to packages of care delivered in the individuals' own homes (not in care homes or residential facilities).

Please provide data for the following financial years: 2019/20, 2020/21, 2021/22, 2022/23 and 2023/24 (projected) except questions 5 and 6 which require a current snapshot (instead of projections for 2023/24), and question 7 which only requires data for 2022/23. If any data for 2022/23 is not available, please provide budgeted figures for the year or the latest snapshot data that is available.

Where possible, please kindly include responses on the attached spreadsheet.

## RESPONSE

St Helens and Knowsley Teaching Hospitals NHS Trust and Southport and Ormskirk Hospital NHS Trust became a single legal entity known as Mersey and West Lancashire Teaching Hospitals NHS Trust on 1<sup>st</sup> July 2023, as such parts of the response may be provided in two sections relating to the hospital sites of each of the legacy organisations.

The Trust does not hold this information – we would recommend contacting NHS Continuing Healthcare (NHS CHC) or the relevant local authorities.
