Subject: Food Hygiene

## REQUEST

For each Trust, please can you provide all Food Hygiene inspection results / reports, details of subsequent enforcement actions taken, and all supporting documents relating to the inspection and any subsequent actions.

I am primarily interested in the main Trust hospital, or hospitals, but if there are inspection reports from other sites managed by the Trust, please provide these as well.

Please can you provide all the information, reports, and documentation, going back three years.

## RESPONSE

St Helens and Knowsley Teaching Hospitals NHS Trust and Southport and Ormskirk Hospital NHS Trust became a single legal entity known as Mersey and West Lancashire Teaching Hospitals NHS Trust on 1<sup>st</sup> July 2023, as such parts of the response may be provided in two sections relating to the hospital sites of each of the legacy organisations.

Copies of food hygiene inspections are available via the relevant Local Authority, as documented on the Food Standards Agency website - please see links below for each site.
