

Ref. No:	1650
Date:	02/04/25
Subject:	Non-blood management facilities

REQUEST

Which hospitals within your trust have cell salvage machines available for maternity?

Does your trust employ a full a non-blood management system:
Blood volumisers,
blood clotting medication,
Anti-anaemia protocol (IV iron, ESAs)?

RESPONSE

Both hospitals within the Trust that have maternity services on site have cell salvage machines available.
