

Ref. No:	1664
Date:	09/04/25
Subject:	System used to report your Nuclear Materials Balances to the ONR

REQUEST

- 1) Do you currently report to the ONR on a regular basis?
- 2) Do you use an in-house tool/system or a third-party tool/system for this reporting?
- 3) What system is used to report Nuclear Materials Balances to the ONR?
- 4) Who is the supplier responsible for hosting and maintenance of this system?
- 5) When is the contract up for renewal, and at the next renewal, would you consider adopting a new system/tool for reporting?
- 6) Are there plans to review this system after renewal?
- 7) Please provide the approximate annual cost for licensing, development, and enhancements of the system(s) for the most recent year.
- 8) What proportion of these costs are recurring?

RESPONSE

- 1) Do you currently report to the ONR on a regular basis?

No

- 2) Do you use an in-house tool/system or a third-party tool/system for this reporting?

N/A
