

Ref. No:	1647
Date:	01/04/25
Subject:	Clinical FOI's

## REQUEST

Please can you state if the Trust typically informs individual clinics regarding FOI requests made by the public. If this is not routine, please indicate circumstances when a clinician would be informed regarding a FOI request.

## RESPONSE

If a FOI is received regarding an outpatient service, we would contact the lead for that area to provide the answer and as part of this they will contact the appropriate team members to produce the answer, So the manager of the team is made aware.
