

Ref. No: 1708
Date: 01/05/25
Subject: Semaglutide (Wegovy) for weight loss.

REQUEST

1. Please tell me how many patients aged 17 or under in the trust are currently being prescribed semaglutide (Wegovy) for weight loss?
2. Please tell me how many patients aged 17 or under are currently being prescribed tirzepatide (Mounjaro) for weight loss?
3. Please tell me the age of the youngest patient currently being prescribed semaglutide (Wegovy) for weight loss?
4. Please tell me the age of the youngest patient currently being prescribed tirzepatide (Mounjaro) for weight loss?
5. Does the trust have any plans to expand prescriptions of semaglutide or tirzepatide for weight loss to either more patients or younger age groups? If yes, please provide very brief details.
6. If yes to questions 1 or 2, please specify the department and, if possible, the lead consultant/consultants where these patients are being treated.
