

Ref. No: 1713
Date: 2nd May 2025
Subject: Transgender Patients

REQUEST

1. The number of pregnant patients who identified as transgender (i.e. trans men, non-binary, gender diverse) who received care for labour and delivery with the obstetrics and gynaecology department at each hospital under your trust. Please provide this information broken down for each hospital, and the numbers from over the last three years, from January to December in 2022, 2023, and 2024.

2. Any complaints received by each hospital under your trust, from a pregnant, transgender patient who received treatment from the obstetrics and gynaecology department, from the last three years (Jan-December 2022, 2023, and 2024).

Please disclose the nature and content of these complaints, and provide them in a Word document format.
