

Ref. No: 1699
Date: 24/04/25
Subject: Clinical Systems

REQUEST

1. Can you please clarify if you are still using InView by CACI as your Clinical data warehouse System? If yes, can you please provide the expiration date?
2. Can you please clarify if you are still using EDT hub by PCTI Solutions as your Clinical data warehouse System? If yes, can you please provide the expiration date?
3. Can you please clarify if you are still using VitalPac by System C as your Observations - vital signs System? If yes, can you please provide the expiration date?
4. Can you please clarify if you are still using Patientrack by Alcidion as your Observations - vital signs System? If yes, can you please provide the expiration date?
5. Can I also clarify the expiry date for your Mirth system from NextGen Healthcare? I couldn't find any information about it on Contracts Finder.
