REQUEST & RESPONSE

I would like to submit a freedom of information request for the following information regarding Safeguarding Training and Competencies.

1. Please can you advise what training method is used to achieve the necessary competencies for staff members as per their role?

Children's L1 and L2 and L3 are e-learning

Adults L1 and L2 are e-learning

Adults L3 is face to face as there is no appropriate e-LFH module

Adult and Children Level 4 is a accumulation of leadership and safeguarding training

2. How is compliance within these groups monitored?

Monitored through monthly Trust training report.

All Trust mandatory training is reported to the Quality Committee and Trust Board.

Quarterly Safeguarding KPI'S including training are submitted to the ICB

3. Is the 'eLearning for Health Safeguarding Children and Young People (SGC) Programme' used, including the modules below:
 - Safeguarding Children – Level 1, created 30/04/2012, updated 04/10/2017
 - Safeguarding Children – Level 2, created 18/10/2017, updated 18/10/2017
