<5

Due to the low number of patients which is less than five for the period, the Trust is withholding the actual number under section 40 – Personal Information of the Freedom of Information Act due to likelihood of identification of the individual(s).

If the requestor or any other member of the general public can, on the balance of probabilities, identify individuals by cross-referencing the anonymised data with other information that was available to them, then the information is personal data and exempt from disclosure under the Act.
