

Ref. No: 1746
Date: 14/05/25
Subject: Adherence to NHS Guidance on Overactive Bladder
Treatment

REQUEST

1. **Adherence to National Guidelines**

Does your Trust currently follow any of the following national guidelines for the treatment and management of Overactive Bladder (OAB)?

Please indicate "Yes" or "No" for each of the following:

- a) NICE Interventional Procedure Guidance on sacral nerve stimulation for urge incontinence and urgency-frequency (IPG64)
- b) NICE Clinical Guideline on Urinary Incontinence in Women (CG171)
- c) NICE Clinical Guideline on Lower Urinary Tract Symptoms in Men (CG97)
- d) Any NHS England-issued clinical guidelines related to OAB management

2. **Locally Adopted Guidelines**

For any of the above guidelines that your Trust follows, please provide the title, version number, and date of the current guidance or policy document in use.

3. **Local Protocols or Deviations**

If your Trust does not follow one or more of the national guidelines listed above, or has developed local clinical pathways or protocols for the management of OAB, please provide a copy of the relevant local policy or a summary of the key differences compared to national guidance.

RESPONSE

The Trust are adherent to NICE Guidance on Overactive Bladder Treatment. This guidance covering all NHS institutions.
There is nothing called NHS Clinical Guidance on OAB.
