## REQUEST

I also have an additional question that is related to the request. Please find it below. Thank you!

**How many people have been identified as having a behavioural addiction which are partly (or wholly) linked to screen usage e.g gambling, porn or gaming, during the following periods:**

- a. 2020/21
- b. 2021/22
- c. 2022/23
- d. 2023/24
- e. 2024/25
- f. 2025-to date

**What is the age and gender of those identified above?** (For this question, I am not requesting any information that would identify patients).

## RESPONSE

There are no NHS diagnosis codes to identify behavioural addiction. The Trust is therefore unable to respond to this request.
