

Ref. No: 1959
Date: 05/08/25
Subject: Ophthalmic Consumables and Procedure Packs

REQUEST & RESPONSE

1. **A list of all ophthalmic consumables and procedure packs currently in use that are not covered by a formal contract or framework agreement.**
2. **For each non-contracted product, please provide the annual volume purchased (or used) over the last 12 months, the total spend, and the current supplier (if known).**
3. **If possible, please also provide the contact details (name, email, and telephone number) for the buyer or procurement lead responsible for ophthalmology within your Trust.**

Date range - last 12 months

Consumables - ophthalmic consumables, eg IAs, cannulae, procedure packs, knives, visco elastic

Attached is a list of all the consumables used by our Ophthalmic departments in the last 12 months that are not covered by a formal contract or framework agreement. All of our procedure packs are covered by formal contracts/framework agreements. Also provided the annual volume purchased over the last 12 months and the current supplier, but not the total spend, as sending these details in conjunction with purchase volumes would constitute commercially sensitive data.

Ophthalmology procurements are handled by the Surgical Care category, consisting of:

Paul Murdock
Category Support Officer

Holly Nichols
Category Manager – Surgery

Jessica Scragg
Senior Procurement Manager (Surgical Care)

The team can be contacted using the link below to the trust
