

Ref. No: 1977
Date: 07/08/25
Subject: Multi-professional approved clinicians

REQUEST

1. The total number of multi-professional approved clinicians (as approved under the mental health act) employed by the trust currently
 - a. A breakdown of this number by base profession (psychologist, nurse, occupational therapist or social worker)
 - b. The number of these working as responsible clinicians
 - c. A breakdown of which teams these staff are working in based on the following
 - i. inpatient vs outpatient setting
 - ii. Specialty (old age, general adult, child and adolescent, intellectual disability, forensic or other)
 - iii. For inpatient settings whether male ward, female ward or mixed ward
2. The total number of trainee multi-professional approved clinicians currently in training in the trust
3. The mean pro-rata salary of multi-professional approved clinicians and multi-professional responsible clinicians currently employed by the trust (as two values if these are different.)
4. Are multi-professional approved/responsible clinicians currently allowed to cover gaps in service left by doctor approved/responsible clinicians
5. Do multi-professional approved/responsible clinicians contribute to on call rotas
 - a. If yes are these on rotas shared with doctor approved/responsible clinicians
 - b. If yes is this in hours, out of hours, or both

RESPONSE

The Trust does not have multi-professional clinicians.
