Subject: Data Protection Impact Assessment

## REQUEST

Please can you supply a copy of the **full** Data Protection Impact Assessment (ie. Not the Data Protection Impact Assessment *Screening Tool* contained within the policy) for Lead Employer policy PD0351:

Dealing with Allegations of Abuse against Trust Members of Staff (including Safeguarding Children and PIPOt procedures), version 1, implemented on 09/07/24.

## RESPONSE

A full Data Protection Impact Assessment was not required for the Policy; this is due to the fact that there is relevant safeguarding legislation which underpins the decisions made to share relevant information
