

Ref. No: 2076
Date: 25/09/25
Subject: Stent Suppliers and Annual Spend

REQUEST & RESPONSE

Please provide the following information for the most recent complete financial year (e.g. 2023–2024):

1. **Total spend** by your Trust on stents, broken down by:

- Coronary stents
- Peripheral vascular stents
- Any other types of stents, if applicable

All products with word “stent” in description provided below for 2024/5 financial year with supplier, description and quantity. We cannot provide total spend **and** quantity as this would allow unit costs to be discerned. This is exempt from publication as it may prejudice commercial interests

2. The **suppliers and manufacturers** from whom the Trust purchased stents during that period.

All products with word “stent” in description provided below for 2024/5 financial year with supplier, description and quantity. We cannot provide total spend **and** quantity as this would allow unit costs to be discerned. This is exempt from publication as it may prejudice commercial interests

3. The **number of stents** purchased, by type (if recorded).

All products with word “stent” in description provided below for 2024/5 financial year with supplier, description and quantity. We cannot provide total spend **and** quantity as this would allow unit costs to be discerned. This is exempt from publication as it may prejudice commercial interests

4. Whether these stents were procured:

- Through NHS Supply Chain
- Through a framework agreement
- Or via direct award contracts (please specify if known)

Please include any available documentation that clarifies the Trust's procurement route for stents, such as contract names or frameworks used.

Products bought via NHS Supply Chain are detailed below with supplier listed as NHS Supply Chain, all others are direct supply. With regards the Trust's Procurement routes, the following applies:-

Information which is publicly available

The Trust publishes contract information in accordance with applicable procurement legislation. This includes, but is not limited to, Public Contracts Regulations 2015; Procurement Act 2023 and Health Care Services (Provider Selection Regime) Regulations 2023. Contract information published in accordance with requirements of legislation includes contract details, supplier name, value, term, procurement route etc.

Publication locations include Official Journal of the European Union (<https://ted.europa.eu/en/>) for some older notices and Contracts Finder (<https://www.gov.uk/contracts-finder>) Find a Tender Service (<https://www.find-tender.service.gov.uk/Search>). Procurement pipeline information will be published in accordance with legislation.

Additionally, the Trust goes beyond the legal requirements and publishes extracts of its contracts register, periodically, on its public website. (<https://sthk.merseywestlancs.nhs.uk/our-services?service=36>)

Publication information includes, but is not limited to, contract descriptions, start and end dates, extension options, supplier details and contract values.

Therefore, the majority of detail in your request is currently publicly available. This means that section 21 of Freedom of Information Act applies.

Information which will be made publicly available

Alternatively, information will be made publicly available as more contracts are advertised and awarded on Find a Tender Service and our contracts register on the website is updated. Therefore, section 22 of the Freedom of Information Act applies
