Subject: Shared Care Record

REQUEST & RESPONSE

1. Does the Trust currently share documents to a Shared Care Record? If yes, which Shared Care Record?

Yes, the Trust currently shares to two shared care records, Graphnet Care Centric and e-Xchange Share2Care.

2. If you are sharing documents to a Shared Care Record - what applications are used to provide the documents?

MIRTH is used for sending documents out from MWL.

3. Do you share all documents with the Shared Care Record, or a subset? If a subset can you advise what the key documents are that are ingested into the shared care record?

The only documents shared are the Emergency Department Discharge Summary and Mother and Baby Birth Notifications.

4. Is there an information sharing agreement in place that covers all document sharing scenarios and use cases with the Shared Care Record, or is Information Governance approval required to increase the scope of what is shared each time?

Data Sharing exists but is held by the contract holders – Cheshire and Mersey ICB.

5. Please give details of your use cases for the Shared Care Record. For example, which documents do you share?

The only documents shared are the Emergency Department Discharge Summary and Mother and Baby Birth Notifications

6. How many other health organisations share information with your shared care record?

We are a contributor to the records not the contract holder so do not have access to this information.

7. Do you pay an annual subscription or a one-off fee to support document sharing into the shared care record?

No there is no fee to support document sharing

8. When does your existing Shared Care Record contract come to an end?

We are a contributor to the records not the contract holder so do not have access to this information.

9. If you are only sharing a subset of documents, are you planning to extend this subset to provide additional document access?

No

10. Are you able to view documents from other healthcare providers via a Shared Care Record?

Yes

11. If so, which document types can you view?

We are a contributor to the records and submit the above documents, we are not the contract holder so do not have access to this information.
