

Ref. No: 2530  
Date: 27<sup>th</sup> April 2026  
Subject: Lymphoedema Surgery

## REQUEST

1. Whether your trust provides any lymphoedema surgery for NHS patients, which may include the following procedures:
  - a. Lymphovenous anastomosis (LVA) - including any performed concurrently with other procedures, such as axillary dissection in breast cancer for prevention of lymphoedema
  - b. Vascularised lymph node transfer
  - c. Liposuction for lymphoedema
  
2. Which surgical procedures that are provided by your trust, including the ICD procedure codes
  
3. The number of each type of procedure in 2) that have been done in your trust

Procedure name	ICD Code	Number of procedures done in trust

## RESPONSE

- 1a – No LVA done on its own or with other procedures  
1b – No vascularised lymph node transfer performed  
1c – No, we don't offer this

The Breast team DO Not offer any lymphoedema surgery.
