

Ref. No: 2567  
Date: 13/05/26  
Subject: Cardiac MRI (CMR) scans - November 2021

## REQUEST

**With specific regard ONLY for November 2021, where there were 27 Cardiac MRI referrals from MWL to external providers**

Please specify how many of the documented 27 referrals were made with a primary clinical indication of Suspected Myocarditis (ICD-10 code I40).

## RESPONSE
