

Ref. No: 2612
Date: 08/06/26
Subject: Neurophysiology Equipment for EEGs and NCS/EMG
diagnostic investigations

REQUEST

I would like to request information regarding the Brand and date of Commissioning for Neurophysiology Equipment for EEGs and NCS/EMG diagnostic investigations at the following Hospitals within the Trust.

RESPONSE

The Neurophysiology Department is based at Whiston Hospital and the EEG equipment with commissioning dates are documented in the attachment.

The EMG monitors across Southport and Ormskirk are documented in the second attachment.
