Note 1

The Trust publishes contract information, contract pipeline information and contract award information in accordance with procurement legislation applicable to the contract. Publication location is dependent upon applicable legislation to the procurement activity but includes Contracts Finder, Official Journal of the European Union and Find a Tender Service websites.

Additionally, the Trust's Procurement Department periodically publish extracts of our contracts' register on our website. This contains supplier information, start and end dates, financial values, procurement route, extension options and other information. Therefore, contract information is either publicly available or will be made available when updated. This means that section 21 or section 22 exemption of Freedom of Information Act applies.
