

Ref. No: FOI2411
Date: 09/03/2026
Subject: LLP Contracts

REQUEST

Please can you tell me, in the financial year 2024-2025:

1. How many LLPs did the trust have contracts with to provide medical services?
2. How much did the trust spend on these contracts, in total?
3. How many of these LLPs were owned in full, or in part, by senior doctors at the trust?
4. How much did the trust spend specifically on the LLPs, owned in full or in part, by senior doctors at the trust?

Please take “LLP” to mean an external provider, run as a business, such as a Limited Liability Company (LLP) or a Limited Company (Ltd), Eg ‘Spire Healthcare Ltd’, ‘Kairos healthcare,’ ‘KPI’ etc. A “senior doctor” is a consultant, clinical lead or above.

RESPONSE

1. The Trust contracted with 1 LLP in 2024/25.
2. £2.4m
3. The LLP is owned in full by senior doctors at the Trust
4. Answer is the same as point 2.
