

Ref. No: 2690
Date: 09/07/26
Subject: Inpatient treatment after circumcision

REQUEST

Please can you tell me the number of boys aged 0-18 who have received inpatient treatment for haemorrhage, shock or sepsis which relates to a circumcision between January 1 2020 and May 1 2026. Please provide this information broken down by year.

RESPONSE

<5

Due to the low number of patients which is less than five for the period, the Trust is withholding the actual number under section 40 – Personal Information of the Freedom of Information Act due to likelihood of identification
